

SPORT PROGRAM ASSISTANT - MLSE LAUNCHPAD

About MLSE LaunchPad

MLSE LaunchPad is a place where youth use sport to recognize and reach their potential. Our focus is on achieving sustainable, wide-ranging social outcomes for youth facing barriers through a Sport For Development approach. To learn more visit [MLSELaunchPad.org](https://mlselaunchpad.org).

Position Overview

MLSE LaunchPad is seeking energetic and dedicated part-time hourly employees that have a passion for working in community sport programs. The candidates will act as sport coaches and instructors under the guidance of the Sport Program Coordinators.

The Sport Program Team facilitates the delivery of safe, age-appropriate and sport-specific programs within MLSE LaunchPad. Sport Program staff must be knowledgeable in youth sport programs, small sided-games, and working with diverse youth populations. MLSE LaunchPad is currently seeking applicants with experience in the following sports: Soccer, Basketball, Ball Hockey, Rock Climbing, Lacrosse, or Golf.

Responsibilities

- Assist with the design, implementation, and evaluation of a sport program schedule for program participants that includes age-appropriate activities and all elements of MLSE LaunchPad core programming standards
- Execute sport programs/events that meet the needs of partner organizations while aligning outcomes with LTAD strategies, fundamental movement skills, and MLSE LaunchPad core programming standards
- Deliver Sport For Development programming for children and youth through coaching, instruction and facilitation
- Liaise with Sport Program Lead to ensure a complete understanding of program plan delivery, objectives, expectations, and individual roles and responsibilities
- Ensure general program readiness including equipment lists, lesson plans, games, and activities for a range of abilities
- Instruct sport programs based on the specific sport and life skills objectives of MLSE LaunchPad programs
- Communicate effectively with the Coordinators, Sport Programming regarding program needs and improvements
- Check that any equipment or facilities used in the delivery of the program plan are safe, in good working order, and free of risk
